

“**Last year, I made \$156,250 working just 5 hours a day from my beautiful home at the Jersey Shore. My home-based business is on track to hit over \$200,000 in gross billings during the next few months. If you have a computer and a phone, I can show you how to**  
**Make \$50,000, \$75,000, \$100,000 a year or more... working just a few hours a day.**”

— *AWAI Member Donna Doyle, Owner of Doyle Direct*

245 N.E. 4th Avenue, #102  
Delray Beach, FL 33483

- You don't need any special experience or formal training.
- You don't need expensive software or equipment... just a telephone and the computer you already have.
- You can get paid three, four, even five times for the same project — and start making money almost immediately.
- You set your own hours, and live wherever you want.
- And, you can earn a CEO's income without ever leaving your living room!
