

“In just 12 months, my life has changed dramatically.”

Dear Friend,

Everyone has dreams.

Maybe yours include fancy cars, big homes, flashy jewelry, vacations all over the world — or all of it ...

My dream is much simpler.

In fact, it can be summed up in a single word: **FREEDOM**.

Oh, it's not that the “stuff” isn't exciting to me — because it is. But nothing is more important to me than being **totally free**. I mean ...

- Free of all debts
- Free of bosses and the 9-to-5 rat race
- Free of the daily commute and rush-hour-jammed freeways
- Free to do what I want, when I want
- Free to spend time — I mean real, stress-free, quality time — with my wife, children, and friends
- Free financially ... and knowing my family will never have to worry about money

But here's the problem ... that kind of real freedom is elusive. Less than 5% of the population ever achieves it.

In fact, for over 10 years I relentlessly pursued my dream. I did everything I could get my hands on. I started no less than 5 businesses, worked odd jobs,

Over, please ...

sent in for those “fabulous” mail-order “opportunities,” and even buried myself in a multi-level gig.

Nothing got me the sought-after prize. Instead, I was over \$200,000 in debt with no cash in the bank and zero income ... with 7 children and the stress of bill collectors calling every day — 3 or 4 times a day each.

Well, today, it is all very, very different. To tell you the truth, I pretty much have all the things I used to wish I could have ... and every month it seems to get better and better!

I wake up when I want, I work from my home (but could work from literally anywhere), spend all the time I want to with my family, and make a handsome six-figure income. (In fact, I’ve made \$45,000 in the past 2 months alone!)

The bill collectors are no longer pestering me. We regularly travel on vacations. And now we’re about to buy a beautiful home on some acreage — thanks to the hefty down payment I was able to earn with just 2 clients in less than 6 weeks!)

So, you see, in just 12 months, my life has changed dramatically. More money. Less stress. And the kind of freedom I always dreamed I would have. And it all happened because I learned the secrets to writing a letter like the one you’re about to read.

Now, here’s the point — and I want you to listen to this very closely ...

You deserve the same shot at freedom that someone gave me about a year ago.

Read the enclosed letter to discover what totally and completely changed my life forever.
